

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL MEMORANDUM

HB 231 – SB 732

March 25, 2013

SUMMARY OF ORIGINAL BILL: Requires removal of the municipal mayor, or their designees, from the county coordinating committee for growth plan hearings, and prohibits the mayor, or designees, from proposing amendments to the initial growth plan, when the municipality has not annexed all territory within its urban growth boundaries as specified in the initial or amended growth plan, and the municipality has not yet fully complied with all plans of services adopted for the annexed territories.

FISCAL IMPACT OF ORIGINAL BILL:

NOT SIGNIFICANT

SUMMARY OF AMENDMENTS (003231, 003551): Amendment 003231 corrects a typo indicating the section of statute amended by the original bill as well as a misspelled word. Amendment 003551 removes the requirement that a municipality must have annexed all territory within its urban growth boundary as specified in the initial or amended growth plan in order for the mayor or the mayor's designee to serve on the county coordinating committee for growth plan hearings or to propose an amendment to the growth plan; requires the municipality to have fully complied with all plans of services adopted for all annexed territories for the mayor or designee to be allowed to participate or propose an amendment.

FISCAL IMPACT OF BILL WITH PROPOSED AMENDMENTS:

Unchanged from the original fiscal note.

Assumptions for the bill as amended:

- Pursuant to Tenn. Code Ann. § 6-58-104(a) there are 11 members serving on a county coordinating committee. It is assumed the potential removal of the municipal mayor from the county coordinating committee will not result in significant changes to the plan produced by the committee.
- Pursuant to Tenn. Code Ann. § 6-58-104(d)(1), the mayor of any municipality in the county, the county mayor or county executive may propose an amendment to the growth plan. It is assumed if a municipal mayor is prohibited from introducing an amendment

to the county's initial growth plan, then a similar amendment could be proposed by other members on behalf of the municipal mayor.

- Changes to the make-up of the county coordinating committee or the amendment procedures to the initial growth plan will not result in a fiscal impact to state or local governments.
